

# THE CROSS AND THE EMPTY TOMB

## INSTRUCTIONS:

READ MATHEW 27:32-66 ; 28:1-10

## LESSON:

We were all condemned to a spiritual death for eternity. Since we were all sinners, we had no access to the Father and therefore we lacked an intimate relationship with him. We all deserved death and an eternity in hell. We could not free ourselves from that condition on our own. That is why Father God put into motion the plan of salvation by sending his only begotten son: Jesus Christ, without a spot or sin. He not only became man to live among us, but he gave his own life, dying on a cross to take our place and pay our “debts”-sins for the purpose of reconnecting us with his kingdom. Meanwhile, Satan thought that, with the death of Jesus, his plans of destruction for humanity had triumphed. What he didn't know was that God had a bigger plan. A perfect rescue plan. So much so that after three days Jesus Christ resurrected, defeating death, giving us life, forgiveness, justification and free access to the Father. Thanks to this, today we have eternal life and we can enjoy everything that God has for each of us. Join your whole family in this celebration of victory. Have popcorn, snacks and find a comfortable place, either in the living room or in your room and watch a movie together. Create a “zero distractions” atmosphere to focus on the movie. After take some time to thank God for his great love, for having forgiven us, for having reconciled us with his kingdom, for the gift of life, for having made us partakers of his nature, for making us his family for we are children of time to thank God
